ORDER OF PUBLICATION AND TO
SHOW CAUSE ON GUARDIAN'S
APPLICATION TO SELL REAL
ESTATE.

On reading and filing the petition of Alfred W. Carter, the Guardian of the property of Annie T. K. Parker, a minor, praying for an order of sale of certain real estate belonging to his said ward, which said real estate is situated within the Fourth Judicial Circuit of the Territory of Hawaii, and consists of the following described pieces and parcels of land:

1. Land contained in Grant 3142 to J. P. Parker in Kaaiki, Hamakua; area 125 acres.
2. The land in Paauhau, Weha, Makakoulo, Keahua, and Kalopa, within the boundaries of the lease of J. P. Parker and S. Parker to W. G. Irwin & Company, dated July 1st, 1886, of record in Liber 101, page 175; total area, 1074.50 acres.
3. The lands of Weha, Makakoulo and Keahua, adjoining the land before described; area 745.1 acres.
4. One-half interest in the Kalopa Crown Land held under lease known as General Lease 101, on file in Public Lands Office, expiring July 1st, 1916; area 1005.6 acres.
5. The land in Kalopa described in L. C. A. 8408 to Kuhea, 10 acres.

And set forth certain legal reasons why such real estate should be sold, to-wit, that it appears that it would be for the benefit of the said minor that a portion of her real estate should be sold and the proceeds thereof should be invested in some productive stock or other investment.

It is hereby ordered that the heirs and next of kin of said ward and all persons interested in the said estate appear before this Court on Saturday, the 12th day of August, A. D. 1905, at 10 o'clock a. m., at the Courtroom of this Court in South Hilo, Island and Territory of Hawaii, and then and there show cause why an order should not be granted for the sale of said estate.

And it is further ordered that a notice of this order be published for at least three consecutive weeks before the said day of hearing, in the Hilo Tribune, a newspaper published in Hilo, and the Pacific Commercial Advertiser, a newspaper published in Honolulu, the last publication to be not less than ten days previous to the time therein appointed for said hearing.

Done at South Hilo, Island and Territory of Hawaii, July 1st, 1905.

Washington, D. C., July 17.—Minister De Witte, the head of the Russian peace commission, will sail from Cherbourg, France, on July 26, for America, to meet the Japanese peace plenipotentiaries.

St. Petersburg, July 18.—In an interview with the Associated Press, M. De Witte, chief of the Russian Peace Commission, said that personally he was in favor of peace, but he denied that he would consent to peace at any price. He said that he feared the terms offered by Japan would be such that the commissioners of the two countries would be unable to come to an agreement.

M. De Witte said that he had received express instructions from the Emperor, who favors peace, and the ultimate decision would remain in his hands. The Czar would have the last word.

The Envoy claims that Russia is not yet crushed, and denies that the Muscovite empire is on the verge of dissolution.

Russian Warships Floated.

Tokio, Japan, July 17.—It is fully expected that the Russian warships Pallada, Pobeda and Poltava, which were sunk at Port Arthur, will soon be refloated by the Japanese and added to the Japanese fleet.

[The Russian battleship Peresviet was refloated June 29th. The Peresviet is a sister ship of the Oslabiya, an ironclad of 12,674 tons and 19 knots, launched in 1898. In her vicinity the Pobeda, also a sister ship, is lying. The steamer Sungari, which was sunk at Chemulpo simultaneously with the Variag and Korietz, was supposed to have been injured beyond all hope of salvation. She was successfully raised, however, and taken to Nagasaki, and, her repairs having now been completed, she has been added to the Japanese transport service under the name of Matsuye Maru.—Kobe Herald.]

If Japan saves the Pallada, Pobeda and Poltava, in addition to the Bayan, her naval captures from Russia alone will make a stronger war-mine than Japan had when she fought the sea battle of the Yalu in 1894.—Ed.]

Kilauea More Active Than Ever.

On Sunday night more fire and lava and general activity was noticed in Halemaumau than at any time during the eruption this year. A large cone has formed in the center and lava and boulders were thrown a hundred feet into the air. The roar and pyrotechnic display is awe-inspiring. The bright glow is very distinct from the Volcano House veranda. If the present activity continues in its present intensity, Halemaumau will soon be overflowing into the main floor of Kilauea as in 1892 and 1893.

Fernandes, the defendant, accepted service and raised no objection to the dissolution. Aug. Humburg was appointed receiver under \$5000 bond on last Saturday.

Ho! For August 12th.

The Hawaii Jockey Club are planning quite an extensive meet for Saturday, the 12th day of August, Flag Raising Day. The events are to be pulled off in the afternoon at 2:00 o'clock p. m. There will be another test between the ball twirlers of Papaaloa and Hilo, and the former claim that they are going to give the latter a run for their money. They have been practicing since the 4th of July and their team work is much better than on that occasion. The Hilo boys will hold their own on the diamond. A good game of baseball is assured. There will be a 1/2 Mile match race between Phillip and St. Yuses. Admiral Dewey and Ned McGowan may trot a three heat mile, and there may be other entries in this race. A Luna Race will also be run. Other entries will be made up if material in the form of horse flesh is offered.
